From Genesis  
To Jesus

Have you ever wanted to know what the Bible says about **God**, the universe and **you**? Then come to Easy Access and find out!

Easy Access takes you on a journey through the main message of the Bible, from Genesis to Jesus in six weeks. It's for those new to, or looking into the Christian faith. *We have slides in both Chinese and English.*

The course includes interviews with special guests and a talk with power point slides. There are free handout notes and a time for people to ask questions over a coffee afterwards.
